Dear LFA Retiree,

We wish to inform you that on Wednesday, March 11th at 11am, Ms. Anna Gutsin and Ms. Esther Chiara from the Mason Tenders' District Council Trust Funds will come to the LFA Office to address any inquiries concerning the changes to the medical coverage.

Please prepare your questions in advance so that the meeting can run smoothly.

*****If you are not able to attend this meeting, we ask that you consult with one of your fellow LFA Retiree Brothers or Sisters and ask them to raise your concerns and take notes to bring back for you. This is the only opportunity that will be provided for an audience with representatives from Mason Tenders, so we encourage all of you who participate in The Plan to attend.**

An RSVP is required for this meeting so that we can ensure there are ample seats for everyone. You can call or email the LFA Office to let us know that you are attending ON OR BEFORE MARCH 9th. Refreshments will be served. Parking is limited so we encourage that you carpool or take a car service and arrive early.
